

*TITLE 'Elden Ring Playthrough: Starring a computer AI'*

"Hello all this is me playing Elden Ring. Today I'm finally going to beat Marge the Fell. Let's see how I do."

*Pointing down at the summon sign.*

"No summons!"

*Enters the arena.*

"You're going down buddy"

*Montage of fights.*

"Take that you meanie."

"I will make you into Sweeny Todd pie."

"Margit the Fell is mad because he is no longer eligible for his extended warranty."

"Yea yea yeahh"

"NO!"

"How much wood could a woodchuck chuck? More than Margarita the Fell can."

*Dies for the first time.*

"You can't make me put my ambitions to rest, you monster."

*Dies again and again.*

*Back to the start.*

"Okay I'll go somewhere else, where to go."

*Checks map.*

"The lake!"

*Riding through.*

"Hopefully there's nothing here that will kill me"

*Lobsters appear.*

"I spoke too soon."

*Dodging lobsters left and right.*

*One springs up.*

"Whoaa!"

*I get shot by a lobster.*

"That was close."

*Rides away to site and rests.*

"Yea so that was a journey, I'll have to get much stronger in order to beat Margeret the Fell. Until next time."

*Fades out.*
